- Aims of the Programme
- Our Partners
- Structure
- Content
- Financing
- Application

General Aims

We provide:

- An outstanding academic course cooperatively designed by two of Europe's top universities
- The opportunity to spend an entire, fully-funded semester in Germany
- Distinguished lecturers from Germany during the entire programme and in-depth insights into what is driving Germany and Europe
- Excellent language training in German and English
- A solid and well-established analytical foundation for a successful career in government, media, science and international business
- A vibrant study environment with rich academic and cultural resources in Kyiv and Jena

The programme is supported by DAAD with funds from the Ministry of Foreign Affairs of the Federal Republic of Germany

General Aims II

- Interdisciplinary education in Political Science, Law, Economics and History
- Main focus on Germany, the European Union and Ukrainian-German relations
- Emphasis on current research methods in social sciences
 - Instruction according to German academic standards
 - Research-oriented approach
- Teaching Languages: German, English, Ukrainian

Friedrich-Schiller-Universität Jena

- University city Jena/ Thüringen
- Ca. 21,000 students (25% of population)
